

You're invited!

E3TC
COMMUNITY

Project E3 invites you to join us for conversation, resource sharing, and collaboration around issues related to poverty, disability, employment, and vocational rehabilitation. Topics of discussion will include generational poverty, health, homelessness, food insecurity, transportation, interpersonal and family issues, public benefits, financial empowerment, and more....

Empower | Educate | Employ

Project E3 is the Vocational Rehabilitation Technical Assistance Center for Targeted Communities. We work with state vocational rehabilitation agencies and their partners across the United States to help people with disabilities from underserved communities achieve their independent living and employment goals.
